**MAKER'S MARK** (*Kentucky, USA*)

£10

The vanilla and citrus essences marry well with the wood smoke, enhancing the smooth, subtle finish.

**KNOB CREEK** (*Kentucky, USA*)

£11

A sweet, subtly fruity bourbon with an added kick from the smoke. Woody and powerful with a rich, glowing finish.

**LAPHROAIG 10 YEARS** (*Islay, Scotland*)

£11

The world's most richly flavoured single malt scotch. Emboldened by the smoke, with a peaty flavor and a hint of seaweed, it has a deliciously long finish.

**MACALLAN GOLD** (*Speyside, Scotland*)

£12

Citrus notes with a hint of cinnamon and ginger, smoked for a delicate balance of both elements. Malty with a slightly dry finish.

**HIBIKI HARMONY** (*Chubu & Kansai, Japan*)

£14

Candied orange peel and white chocolate undertones are provided a new dimension by the smoke.

Tender honey-like sweetness and a long finish.
